UK MEMBER FIRM OPPORTUNITY

Join a Top 20 Global Network of Audit,
Tax, Advisory, Accounting and Legal Firms

About Parker Russell

Parker Russell is a *Top 20 global network of independent audit, tax, advisory, accounting and legal firms*, headquartered in London and represented across key international markets.

The network brings together high-quality professional firms committed to delivering exceptional client service, technical excellence, strong governance, and trusted advice across multiple disciplines. Through collaboration, shared expertise, and professional relationships, Parker Russell enables member firms to support clients locally, nationally, and internationally.

As businesses become increasingly global, clients expect advisers capable of delivering coordinated solutions across jurisdictions. Parker Russell provides member firms with access to international expertise, referral opportunities, technical support, and a trusted professional community capable of supporting complex client requirements worldwide.

The opportunity

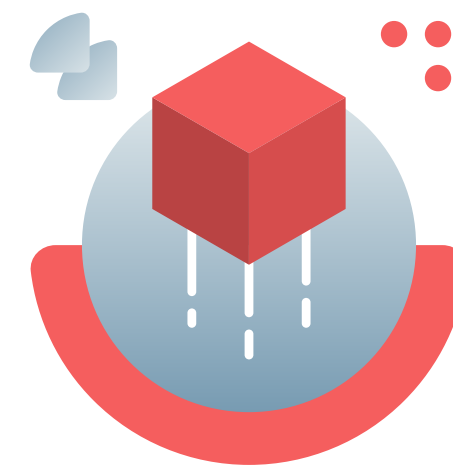

Parker Russell is seeking an ambitious and high-quality ***independent UK accounting and advisory firm*** to join its national and international network.

This represents a significant strategic opportunity for a firm seeking to:

- Strengthen its international capability
- Enhance market positioning and credibility
- Expand cross-border opportunities
- Increase referral activity
- Improve client retention
- Strengthen regulatory and compliance capability
- Access technical expertise and best practice
- Participate in a trusted global professional community

The successful firm will gain access to an established network of audit, tax, advisory, accounting and legal professionals while maintaining its independence, leadership structure, and entrepreneurial culture.

This opportunity also enables the selected firm to utilise and leverage the ***Parker Russell brand***, enhancing visibility, credibility, and market differentiation while continuing to operate as an independent practice.

**Your firm remains independent.
Your capability becomes international.**

Why your firm should join Parker Russell

International Capability

Clients increasingly require support that extends beyond domestic accounting and compliance matters.

Membership provides access to trusted professionals worldwide who can assist with:

- Cross-border tax matters
- International business expansion
- Overseas investment
- Global compliance requirements
- International reporting obligations
- Cross-border transactions
- Multi-jurisdiction advisory projects

This enables firms to provide broader support to clients without the need to establish overseas offices or build international infrastructure independently.

Benefit: Support clients wherever they do business.

Stronger Client Retention

As businesses grow internationally, many firms risk losing clients to larger national or multinational competitors.

Membership helps firms retain valuable relationships by offering clients access to international expertise, broader technical capability, and coordinated support across jurisdictions.

Benefit: Protect existing client relationships and support future growth.

International Referral Opportunities

Membership creates opportunities for both inbound and outbound referrals.

Inbound Opportunities.

International businesses requiring UK support in:

- Audit and assurance
- Tax advisory and compliance
- Accounting and reporting
- Payroll and employment matters
- Regulatory compliance
- Corporate advisory

Outbound Opportunities.

Existing clients seeking trusted support in overseas markets.

Benefit: Create new revenue opportunities while delivering a more complete client service offering.

Enhanced Market Positioning Through the Parker Russell Brand

The ability to utilise the Parker Russell brand provides immediate benefits in:

- Market credibility
- Proposal and tender submissions
- Business development
- International visibility
- Recruitment and talent attraction
- Client confidence

The combination of local independence and international capability creates a compelling proposition for businesses seeking trusted advisers with global reach.

Benefit: Compete more effectively for larger and internationally focused clients.

Access to Technical Expertise

Membership provides access to a broad community of experienced professionals across audit, tax, advisory, accounting and legal disciplines.

Firms benefit from:

- Technical collaboration
- Best-practice sharing
- Specialist knowledge
- Professional development opportunities
- International insights

Benefit: Enhance service quality and broaden technical capability.

National Network Support for Regulatory Compliance

The regulatory environment continues to evolve, creating increasing obligations for professional firms.

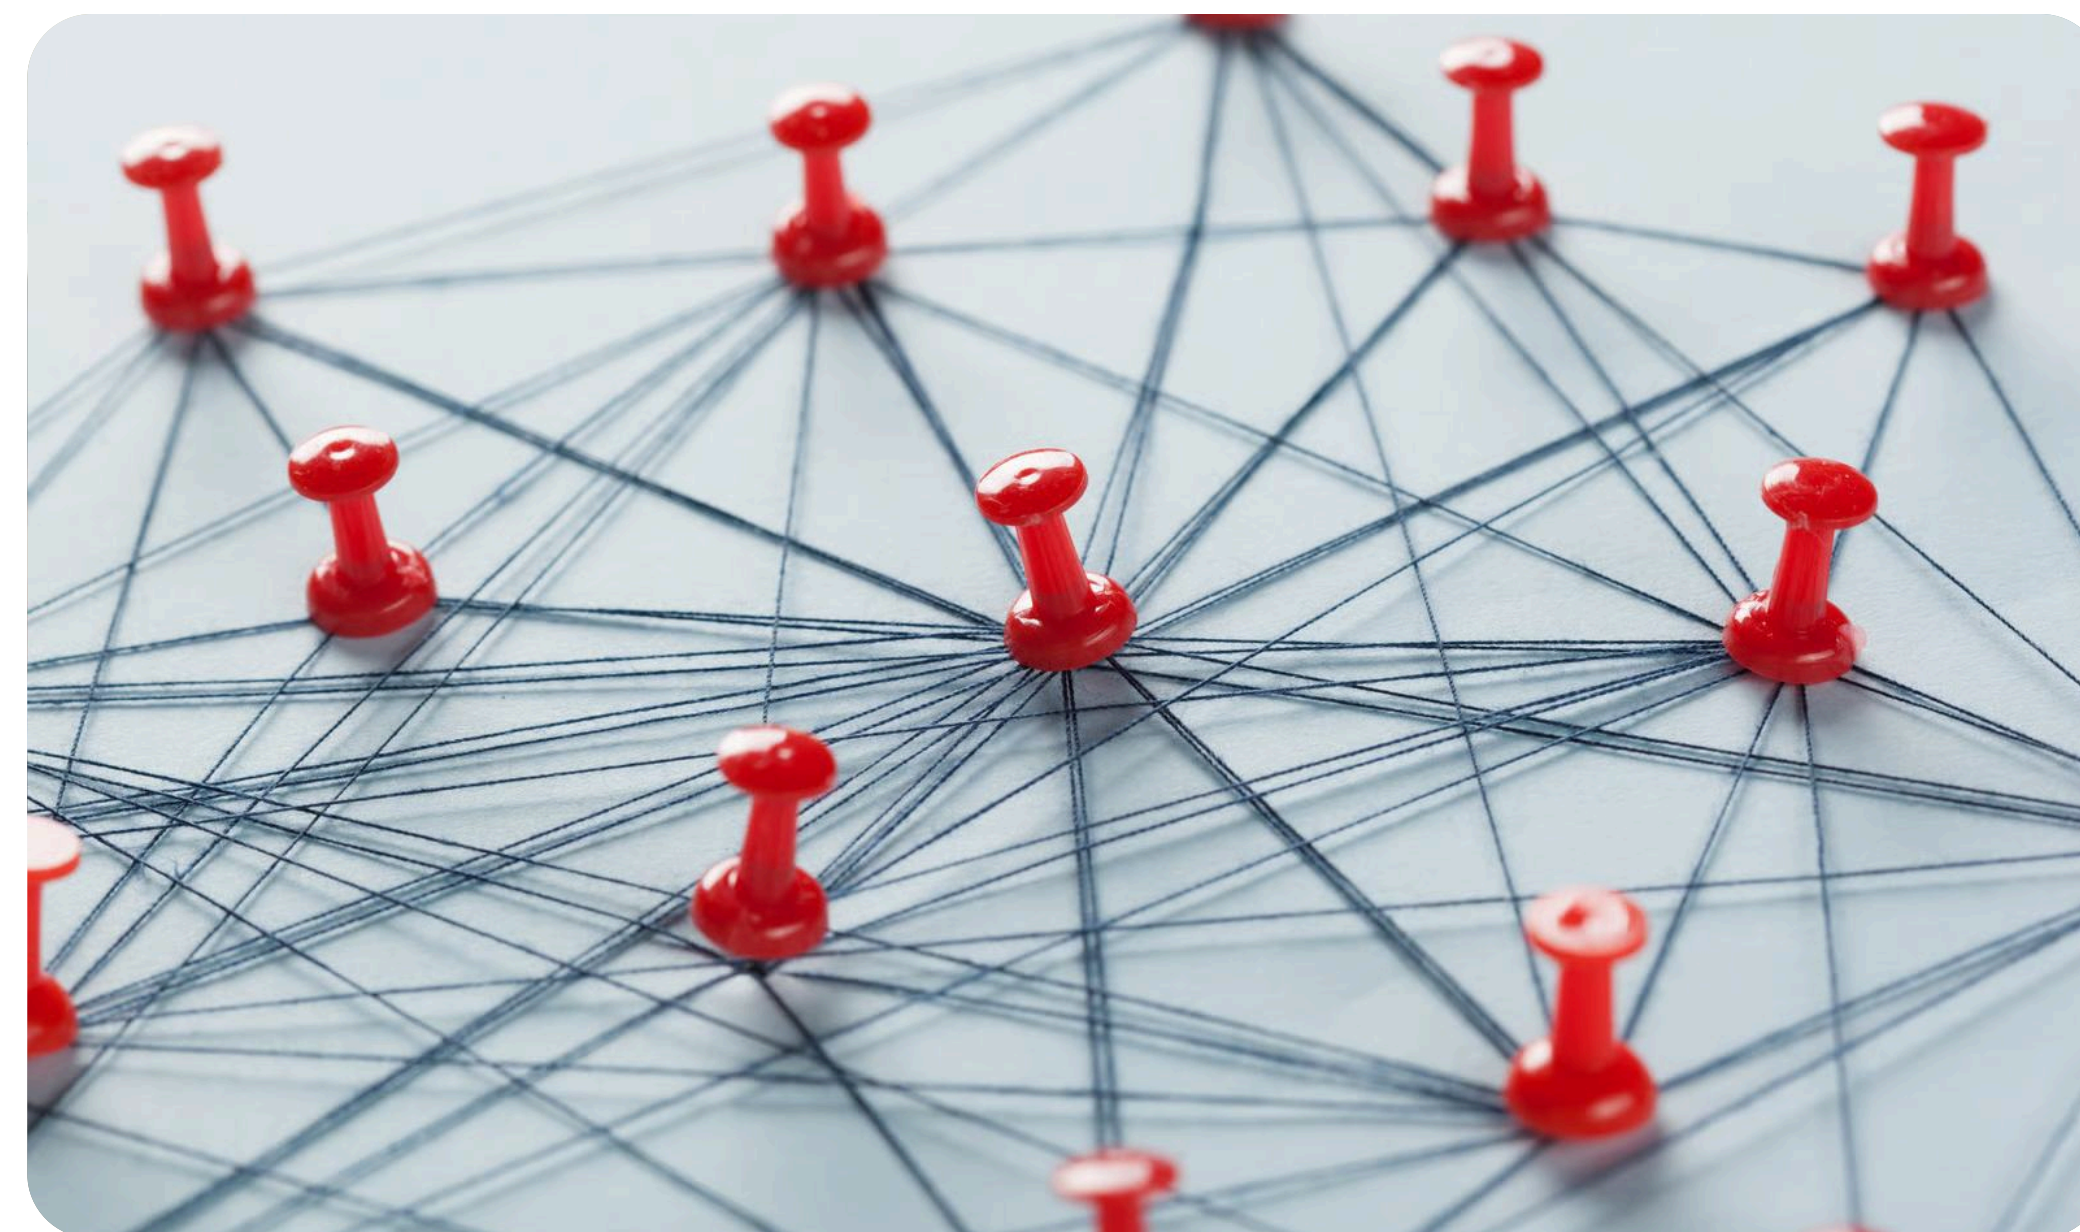

Membership provides access to the strength and support of the national Parker Russell network, helping firms manage regulatory and compliance responsibilities more effectively.

Areas of support include:

- Audit compliance and quality management
- Practice assurance
- AML policies and procedures
- Risk management
- Governance frameworks
- Professional standards
- Regulatory updates
- Internal controls and compliance processes
- Practice management best practice

Through collaboration with fellow member firms and access to shared expertise, firms can strengthen their approach to compliance, governance, and operational risk management.

Benefit: Greater confidence in managing regulatory obligations while maintaining the highest professional standards.

Ideal member firm profile

Parker Russell is seeking an ambitious and high-quality independent UK professional services firm capable of contributing meaningfully to both a national and international network.

The ideal member firm will typically comprise a ***minimum of four partners/directors*** and demonstrate an established track record in delivering high-quality professional services.
